Clean Up Australia Day

Want to make your community a better, cleaner place to live? Then join in on Clean Up Australia Day on Sunday, 6 March 2016.

Member for Stuart, Dan van Holst Pellekaan MP, said the people in Stuart took great pride in their local communities and Clean Up Australia was a great way of working together to make it even better.

“All rubbish collected at a Clean Up location is registered with Clean Up Australia,” he said.

“At last year’s event, South Australians reported an average of 111 pieces of rubbish cleaned up per location.

“These figures show there’s no doubting the impact each person is making on Clean Up Australia Day and I look forward to participating in the event again this year.”

To volunteer at a registered Clean Up site near you – or to register your own Clean Up site – visit www.cleanupaustaliaday.org.au
